

Do you have a new **EYE PROBLEM?**

Red eye? Double vision?
Painful eyes? Recent reduction in vision?

The Acute Community Eyecare Service (ACES)
is a new **FREE** eye service for people registered
with a Somerset GP practice.

If you are suffering with a **NEW** eye problem, pick up
a leaflet at your local opticians, pharmacy or GP surgery.
Or visit the website at www.somerset.nhs.uk/ACES
to find out more and get a list of optometrists
participating in the scheme.
